RE: STORMTECH CMK-6 FUSION FACE MASK

STATEMENT OF COMPLIANCE

The undersigned declares that the CMK-6 Fusion Face Mask meets the minimum barrier performance standard for breathability as per CWA 17553, AATCC M14 as well as CDC, WHO and CPHA agency guidelines for civilian use. **Actual test results indicate a particle filtration efficiency rating (PFE) of over 76% based on AATCC M14-2020 and ASTM F2299 standards.**

The CMK-6 Fusion Face Mask has passed all the product safety requirements including the Antibacterial (ViralOff), Formaldehyde content, azo colorants, Content of phthalates, Extractable metal content Pb, Lead, flammability, etc.

Polygiene ViralOff® treatment used for this product is proven to reduce tested viruses by over 99% on the material within two hours as per international standard test ISO18184:2019 on SARS-CoV-2.

In addition to the chemical, physical and colorfastness tests, this product has passed a rigorous durability test of 40 wash & dry laundering cycles.
